

# 20 MINUTES TO PARK

RAW ROOTS ROCK WITH A DROP OF POP

THIS IS A BLOG

With encouragement, we finally got around to creating a new t-shirt, which you can **view or buy in the online store**. It features the amazing van we drove across the Eastern portion of the U.S. crammed between two cars. You can see why such a beast can take 20 minutes to park. The t-shirt is dark brown with off-white/beige graphics in a vintage style print. Thanks to those of you who have already ordered!

We also added a combo deal which saves a little \$\$\$. You get the t-shirt and a copy of "Back to Basics." All orders come with a free sticker too.

Today we launched a new product - a completely packed USB drive containing all 3 albums, every single, photos, videos, and anything else we can fit on the 1GB drive. We thought this would be a great move in the right direction, steering away from CDs which are inefficient, costly, and not very eco-friendly. Most people rip the CDs to their computers in MP3 format and toss the CDs on a shelf. We figured we'd save you a step and rip them for you. All you have to do is drag and drop them on your computer now... or listen to them directly from the USB drive. In addition, you can save these files to your computer and reuse the USB drive for other stuff. **Click here to grab a USB drive.** It ships free and comes with a free sticker.

#### This week's giveaway includes:

**A free MP3 download of our version of "Walking in Memphis"**  
**2 signed and personalized CDs**  
**A surprise**

I'm most excited about the surprise because we don't even know what it is yet. I really want to do something cool here... I'm sure Mitch has some great/ illegal/edgy/wacky/hilarious ideas that probably won't make the cut, but I'm sure we'll enjoy a good laugh while contemplating. If we can think of something mind-blowing, this may have to be apart of the Freebie Friday ritual.

**Head over to the Freebie Friday page to enter to win these goodies.**

**20MTP:** Haha, thanks, Dondo. That van is probably one of the worst and most hilarious automobiles on the road. Glad you dig the shirt and the new acoustic album! Mitch
